

Guidelines for Signatories

Background

According to our statutes, volunteers have the right to apply to become signatories. To facilitate the administration of signatories, this document exists.

This document should be updated in case of a new decision on the guild's signatories.

List of signatories

The President and the Treasurer are, according to the Statutes, signatories separately.

Following the decision of F02VT22, the following volunteers are entitled to sign the guild's name individually during their term of office:

- Café Manager Theodor Westholm and Vice Café Manager Samin Ahmed Chowdhury for the operations of the Hilbert Café.
- Head of Corporate Relations Samuel Berggren for the activities of the Coorporate Relations Committee.
- FARAD Project Manager William Östlund for FARAD's activities.
